

# GIN

Enjoy the 'perfect serve' at The Anchor Line. All our gins have been selected for their popularity and flavour. Served in our 'perfect serve' large wide bowl glasses, your gin will sing as the aroma of all the gins botanicals are trapped in the bowl for your pleasure, enhancing your drink. As a 'perfect serve' we think only a 50ml measure will do, however, if you would prefer a 25ml measure of your favourite gin, just let your server know. **Our perfect serve gins do not include your choice of mixer**

## AVIATION £7.90

This is a rye-based American dry gin from Portland, Oregon. It has a lighter juniper flavour than London Gin giving it a more subtle touch on the tongue

We recommend mixing with Fever-Tree Mediterranean Tonic and garnish with a twist of orange alternatively order the classic an Aviation cocktail mixing gin with cherry and violet liqueurs

## LEOPOLDS £9.00

An award winning American gin distilled in Denver, Colorado made in small batches for that exclusive touch

We recommend mixing it up with Fever-Tree Indian Tonic and a slice of orange

## BOMBAY SAPPHIRE £6.90

This is the quintessentially English London dry gin with a luxuriously juniper-led flavour that has made it so popular around the world

We recommend revolutionising your gin habit by mixing with Fever-Tree Sicilian Lemonade and a slice of lemon

## THE BOTANIST £7.90

A fabulous Scottish gin from Islay incorporating 31 foraged botanicals, 22 native to the island including wild Islay juniper berries distilled to perfection by the same distillery behind Bruichladdich Single Malt

We reckon it cannot be beaten when mixed with Fever-Tree Tonic, a piece of lime and a sprig of fresh mint

## MARE £9.00

This Spanish gin is distilled with botanicals from across the Mediterranean including basil, rosemary and thyme

We recommend trying it with Fever-Tree Mediterranean Tonic and sprigs of rosemary and fresh basil

## MISTY ISLE £9.00

From the crystal clear spring waters of Storr Lochs and juniper berries from wild locations around Skye, the juniper is slowly distilled in traditional gas fired, copper pot stills, then vapour infused with 11 botanicals. We are especially proud of this gin as the owner is a personal friend of The Anchor Line team

Mix with Fever-Tree Mediterranean Tonic, an orange wheel

## DEATHS DOOR £8.50

This organic gin distilled from red winter wheat hails from Washington Island in Wisconsin and is made with only 3 botanicals, juniper, fennel and coriander

Stronger than most other gins, we recommend mixing liberally with Fever-Tree Tonic and a sprig of fresh coriander

## HAYMAN'S OLD TOM £7.00

This sweeter and lighter gin from London has been around since the 1870's but Poor 'Old Tom' fell from favour in the post war years and was laid to rest in the 1970's as the taste for drier spirits finally won the day. However, tastes change and Hayman's revived 'Old Tom' in 2007 and we are delighted at this gin resurrection

We recommend serving with a lemon twist and Fever-Tree Tonic

## **HENDRICKS** £7.90

Established in 1860, this is probably Scotland's best known gin, distilled in South Ayrshire and is known for its delicious light and flowery flavour

We recommend mixing with Fever-Tree Elderflower Tonic and a slice of cucumber – for a dash of extra spice; throw in some freshly cracked black pepper

## **JUNIPERO** £11.50

This juniper heavy gin hails from San Francisco and only hit the bars of the city in 1996. Using 12 botanicals it makes the perfect Martini

We recommend keeping it simple and mixing with Fever-Tree Indian Tonic but add a dash of class by adding some fresh pear; alternatively have that fabulously dry Martini

## **TANQUERAY** £7.90

The world's most famous London dry gin needs no introduction or review just a glass, ice and a slice and you are away!

We recommend mixing with Fever-Tree Tonic and a piece of lime

## **WHY NOT TRY ONE OF OUR OTHER GINS?**

Bombay Dry (England)	£6.90
Caorunn (Scotland)	£7.50
Makar (Scotland)	£7.50
Tanqueray 10 (Scotland)	£8.35
Broker's (England)	£7.50
Monkey 47 (Germany)	£9.00
Bols Genever (Dutch)	£7.90

## **BOLS GENEVER** £7.90

Based on the original 1820 Bols Genever recipe from The Netherlands this gin was used in many cocktails in the 19th century; this spirit is the grandfather of gin. A wonderfully smooth spirit with a flavour unlike any other gins on the menu

The whisky like malt tones pair beautifully with our Fever-Tree Ginger Ale and a squeeze of lime

## **BROCKMAN'S** £7.90

Another London Gin that has traditional notes combined with a refreshing influence of citrus and aromatic wild berry. This creates an intensely smooth gin with a beautifully crafted taste that is sensual and daringly different

We Recommend mixing with either Fever-tree Tonic or Ginger Ale a grapefruit twist and a fresh blackberry

# COCKTAILS

The inspiration behind our drinks menu is pre and post prohibition style drinks, brought into the 21st Century. Some have been adapted and changed somewhat into our signature serves, others are based on recipes from cocktail books printed in that era. We have tried to include something for everyone and with that in mind, our bartenders are happy to mix any of your own concoctions to suit your palette.
