

GIN

Served in our 'perfect serve' large wide bowl glasses, your gin will sing as the aroma of all the gins botanicals are trapped in the bowl for your pleasure enhancing your drink.

As a 'perfect serve' we think only a 50ml measure will do, however, if you would prefer a 25ml measure, just let your server know. **Our perfect serve gins do not include your choice of mixer**

AVIATION £7.90

This is a rye-based American dry gin from Portland, Oregon. It has a lighter juniper flavour than London gin giving it a more subtle touch on the tongue

We recommend mixing with Fever-Tree Mediterranean Tonic and garnish with a twist of orange or alternatively order the classic Aviation cocktail mixing gin with cherry and violet liqueurs

LEOPOLDS £9.00

An award winning American gin distilled in Denver, Colorado made in small batches for that exclusive touch

We recommend mixing it up with Fever-Tree Indian Tonic and a slice of orange

STAR OF BOMBAY £7.50

A bolder expression of Bombay's signature style. With two additional botanicals carefully selected then slowly distilled for a more intense flavour

We recommend mixing it with Fever-Tree Indian Tonic and a burn orange twist

THE BOTANIST £7.90

A fabulous Scottish gin from Islay incorporating 31 foraged botanicals - 22 native to the island including wild Islay juniper berries distilled to perfection by the same distillery behind Bruichladdich Single Malt

We reckon it cannot be beaten when mixed with Fever-Tree Tonic, a piece of lime and a sprig of fresh mint

GIN MARE £9.00

This Spanish gin is distilled with botanicals from across the Mediterranean including basil, rosemary and thyme

We recommend trying it with Fever-Tree Mediterranean Tonic and sprigs of rosemary and fresh basil

MISTY ISLE £9.00

From the crystal clear spring waters of Storr Lochs and juniper berries from wild locations around Skye. The juniper is slowly distilled in traditional gas fired copper pot stills and then vapour infused with 11 botanicals. We are especially proud of this gin as the owner is a personal friend of The Anchor Line team

Mix with Fever-Tree Mediterranean Tonic and an orange slice

DEATHS DOOR £8.50

This organic gin distilled from red winter wheat hails from Washington Island in Wisconsin and is made with only 3 botanicals, juniper, fennel and coriander

Stronger than most other gin, we recommend mixing liberally with Fever-Tree Tonic and a sprig of fresh coriander

BREUCKELEN GLORIOUS £9.00

Distilled in New York this is the first gin to be produced at the Breuckelen distillery. It's made using locally sourced wheat as well as a mix of botanicals including lemon, rosemary, ginger, grapefruit and of course, juniper

We recommend mixing it up with Fever-Tree Mediterranean Tonic and sliced grapefruit

FIFTY POUNDS £8.50

Historic in essence, modern in spirit, this London small batch gin has been distilled since the 18th Century

We recommend blending it with Fever-Tree Indian Tonic and an orange slice.

JUNIPERO £11.50

This juniper heavy gin hails from San Francisco and only hit the bars of the city in 1996. Using 12 botanicals, it makes the perfect Martini

We recommend keeping it simple and mixing with Fever-Tree Indian Tonic, but, add a dash of class by adding some fresh pear or alternatively have that fabulously dry Martini

BROKER'S £7.50

Broker's Gin is made in a 200-year-old distillery in the heart of England using a traditional copper pot-still. The recipe is as old as the distillery and has won more top awards in international competitions over the last ten years than any other gin

Served simply with a slice of lemon

Based on the original 1820 Bols Genever recipe from The Netherlands, this gin was used in many cocktails in the 19th century. This spirit is the grandfather of gin. A wonderfully smooth spirit with a flavour unlike any other gins on the menu

The whisky like malt tones pair beautifully with our Fever-Tree Ginger Ale and a squeeze of lime

BROCKMAN'S £7.90

Another London gin that has traditional notes combined with a refreshing influence of citrus and aromatic wild berries. This creates an intensely smooth gin with a beautifully crafted taste that is sensual and daringly different

We recommend mixing with either Fever-Tree Tonic or Ginger Ale a grapefruit twist and a fresh blackberry

COCKTAILS

The inspiration behind our drinks menu is pre and post prohibition style drinks brought into the 21st Century.

Some have been adapted and changed somewhat into our signature serves, others are based on recipes from cocktail books printed in that era

We have tried to include something for everyone and with that in mind our bartenders are happy to mix any of your own concoctions to suit your palette and your mood
