GIN

Served in our large gin balloons, your gin will sing as the aroma of all the botanicals are trapped in the bowl for your pleasure, enhancing your drink

We think a 'perfect serve' can only be a 50ml measure, however; if you would prefer a smaller measure, just let your server know. **Our 'perfect serve' gins do not include your choice of mixer**

AVIATION £8.50

This is a rye-based American dry gin from Portland, Oregon. It has a lighter juniper flavour than London gin giving it a more subtle touch on the tongue

We recommend mixing with Fever-Tree Mediterranean Tonic and garnish with a twist of orange or alternatively order the classic Aviation cocktail mixing gin with cherry and violet liqueurs

LEOPOLDS £9.60

An award winning American gin distilled in Denver, Colorado made in small batches for that exclusive touch

We recommend mixing it up with Fever-Tree Indian Tonic and a slice of orange

STAR OF BOMBAY £8.10

A bolder expression of Bombay's signature style. With two additional botanicals carefully selected then slowly distilled for a more intense flavour

We recommend mixing it with Fever-Tree Indian Tonic and a burn orange twist

THE BOTANIST £8.50

A fabulous Scottish gin from Islay incorporating 31 foraged botanicals - 22 native to the island including wild Islay juniper berries distilled to perfection by the same distillery behind Bruichladdich Single Malt

We reckon it cannot be beaten when mixed with Fever-Tree Indian Tonic, a piece of lime and a sprig of fresh mint

GIN MARE £9.60

This Spanish gin is distilled with botanicals from across the Mediterranean including basil, rosemary and thyme

We recommend trying it with Fever-Tree Mediterranean Tonic and sprigs of rosemary and fresh basil

MISTY ISLE £9.60

From the crystal clear spring waters of Storr Lochs and juniper berries from wild locations around Skye. The juniper is slowly distilled in traditional gas fired copper pot stills and then vapour infused with 11 botanicals. We are especially proud of this gin as the owner is a personal friend of The Anchor Line team

Mix with Fever-Tree Mediterranean Tonic and an orange slice

DEATHS DOOR £9.10

This organic gin distilled from red winter wheat hails from Washington Island in Wisconsin and is made with only 3 botanicals, juniper, fennel and coriander

Stronger than most other gin, we recommend mixing liberally with Fever-Tree Indian Tonic and a sprig of fresh coriander

TANQUERAY 10 £8.95

This London Dry Gin is packed with four perfectly balanced botanicals - juniper, coriander, angelica and liquorice.

We recommend mixing Fever-Tree Indian Tonic and a slice of grapefruit

FIFTY POUNDS

£8.80

Historic in essence, modern in spirit, this London small batch gin has been distilled since the 18th Century

We recommend blending it with Fever-Tree Indian Tonic and an orange slice.

JUNIPERO

£11.80

This juniper heavy gin hails from San Francisco and only hit the bars of the city in 1996. Using 12 botanicals, it makes the perfect Martini

We recommend keeping it simple and mixing with Fever-Tree Indian Tonic, but, add a dash of class by adding some fresh pear or alternatively have that fabulously dry Martini

PUERTO DE INDIAS

£8.20

A deliciously smooth, delicate gin, perfect for a captivating G&T. With potent aromas of sweet strawberry and juniper, this gin's unique bottle shape is inspired by the Torre del Oro in Seville, where this gin is made

We think this perfect serve is just perfect with Fever-Tonic Water and a strawberry

ROKU GIN

£8.80

The first gin from Japan's legendary Suntory is made using a selection of botanicals, including six Japanese botanicals that provide a whistle-stop tour of the four seasons.

We recommend pairing Roku with Fever-Tree Indian Tonic, a twist of lemon and cracked black pepper

BROCKMAN'S

£8.20

Another London gin that has traditional notes combined with a refreshing influence of citrus and aromatic wild berries. This creates an intensely smooth gin with a beautifully crafted taste that is sensual and daringly different

We recommend mixing with either Fever-Tree Indian Tonic or Ginger Ale a grapefruit twist and a fresh blackberry
