GIN

Served in our large gin balloons, your gin will sing as the aroma of all the botanicals are trapped in the bowl for your pleasure, enhancing your drink

We think a 'perfect serve' can only be a 50ml measure, however, if you would prefer a smaller measure, just let your server know. **Our 'perfect serve' gins do not include your choice of mixer**

AVIATION £8.50

This is a rye-based American dry gin from Portland, Oregon. It has a lighter juniper flavour than London gin giving it a more subtle touch on the tongue

We recommend mixing with Fever-Tree Mediterranean Tonic and garnish with a twist of orange

CAORUNN £7.80

Caorunn (pronounced 'ka-roon') is a small batch gin, distilled on Speyside. A clean, crisp, aromatic gin with a pronounced fruitiness and slight heather honey sweetness

We recommend mixing it with Fever-Tree Indian Tonic & slices of crisp red apple

STAR OF BOMBAY £8.10

A bolder expression of Bombay's signature style. With two additional botanicals carefully selected then slowly distilled for a more intense flavour

We recommend mixing it with Fever-Tree Indian Tonic & a burnt orange twist

THE BOTANIST £8.50

A fabulous Scottish gin from Islay incorporating 31 foraged botanicals, 22 native to the island including wild Islay juniper berries distilled to perfection by the same distillery behind Bruichladdich Single Malt

We reckon it cannot be beaten when mixed with Fever-Tree Indian Tonic, a piece of lime & a sprig of fresh mint

GIN MARE £9.60

This Spanish gin is distilled with botanicals from across the Mediterranean including basil, rosemary & thyme

We recommend trying it with Fever-Tree Mediterranean Tonic and sprigs of rosemary & fresh basil

MISTY ISLE £9.60

From the crystal clear spring waters of Storr Lochs and juniper berries from wild locations around Skye is slowly distilled in traditional gas fired copper pot stills and then vapour infused with 11 botanicals. We are especially proud of this gin as the owner is a personal friend of The Anchor Line team

Mix with Fever-Tree Mediterranean Tonic & a slice of orange

DEATHS DOOR £9.10

This organic gin distilled from red winter wheat hails from Washington Island in Wisconsin and is made with only 3 botanicals, juniper, fennel & coriander

We recommend mixing liberally with Fever-Tree Indian Tonic and a sprig of fresh mint & a slice of orange.

TANQUERAY 10 £8.95

This London Dry Gin is packed with four perfectly balanced botanicals - juniper, coriander, angelica & liquorice

We recommend mixing Fever-Tree Indian Tonic & a slice of grapefruit

NORDES £8.80

Distilled from an alcohol base containing a portion of Albariño wine and then infused with 11 natural botanicals, including lemongrass, eucalyptus, peppermint and ginger, giving this Spanish gin a distinctively unique flavour

We recommend blending it with Fever-Tree Indian Tonic & green grapes

JUNIPERO £11.80

This juniper heavy gin hails from San Francisco and only hit the bars of the city in 1996. Using 12 botanicals, it makes the perfect Martini

We recommend keeping it simple and mixing with Fever-Tree Indian Tonic, but, add a dash of class by adding some fresh pear or alternatively have that fabulously dry Martini

PUERTO DE INDIAS £8.20

A deliciously smooth, delicate gin, perfect for a captivating G&T. With potent aromas of sweet strawberry and juniper, this gin's unique bottle shape is inspired by the Torre del Oro in Seville, where this gin is made

We think this is just perfect with Fever-Tonic & a strawberry

WHY NOT TRY ONE OF OUR OTHER GINS?

Bombay Sapphire (England)	£7.20
Makar (Scotland)	£7.80
Tanqueray (Scotland)	£8.20
Monkey 47 (Germany)	£9.30
Hayman's Old Tom (England)	£7.30
Hendrick's (Scotland)	£8.20

ROKU GIN £8.80

The first gin from Japan's legendary Suntory is made using a selection of botanicals, including six Japanese botanicals that provide a whistle-stop tour of the four seasons

We recommend pairing Roku with Fever-Tree Indian Tonic, a twist of lemon & cracked black pepper

BROCKMAN'S £8.20

Another London gin that has traditional notes combined with a refreshing influence of citrus and aromatic wild berries. This creates an intensely smooth gin with a beautifully crafted taste that is sensual & daringly different

We recommend mixing with either Fever-Tree Indian Tonic or Ginger Ale, a grapefruit slice & a fresh blackberry
